## Weather Watch

Scattered Thunderstorms  
Day 68°F↑ · Night 61°F↓  
80% Chance of Precipitation

## Officer of the Day: C/Maj Jared Del Orfano, Deputy Commander

C/Maj Jared Del Orfano was asked today during an interview with the Public Affairs Office how he can influence both the staff and basic cadets and how they can influence him. He feels that when he gives commands to both basics directly and to their sergeants and commanders he is “waving the baton” and commanding the flight commanders to take charge. As far as they influence him, if they are proud and exact during Pass-in-Review he will feel the same. He is influenced by cadets is when he is asked questions not related to Civil Air Patrol.
