## Drones

Last night, two DJI Inspire drones were assembled on the drill pad and flown around the 109<sup>th</sup> Air Lift Wing. It was a very memorable experience for the cadets. Command Staff and the Squadron Commanders went into the woods to help demonstrate the heat sensing technology.

## Weather Watch for Tomorrow

Day 77°F↑ · Night 64°F↓

80% Chance of Precipitation

## Officer of the Day: C/Maj Derek Profit, SET OIC

C/Maj Derek Profit is the SET OIC. He has been in Civil Air Patrol for four and a half years and is a member of the Suffolk Cadet Squadron Ten. Major Profit joined CAP originally because of the aviation aspect, but after joining, he developed an interest in the military, search & rescue, and leadership, as well. He is enlisted in the Air National Guard as an Airman First Class and plans to attend SUNY Maritime College next year. His future goal is to commission as an officer after college, although he doesn't know what branch yet. CAP is the reason Major Profit is pursuing the military as a future career.
